54. State Information Technology Point of Contact

The subgrant recipient agrees to ensure that the State Information Technology Point of Contact receives written notification regarding any information technology project funded by this grant during the obligation and expenditures period. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these grant funds. In addition, the recipient agrees to maintain an administrative file documenting the meeting of this requirement. For a list of State Information Technology Points of Contact, go to <http://www.it.ojp.gov/default.aspx?area=policyAndPractice&page=1046>.

55. Interstate Connectivity

To avoid duplicating existing networks or IT systems in any initiatives funded by the Bureau of Justice Assistance for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the subgrant recipient can demonstrate to the satisfaction of the Bureau of Justice Assistance that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

56. Supplanting

The subgrant recipient agrees that funds received under this award will not be used to supplant State or local funds, but will be used to increase the amounts of such funds that would, in the absence of Federal funds, be made available for law enforcement activities.

"Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. Notwithstanding any other special condition of this award, faith based organizations may, in some circumstances, consider religion as a basis for employment. See http://www.ojp.gov/about/ocr/equal_fbo.htm.

Special Recovery Act Conditions

1. Recovery Act

- a. All subgrant recipients must comply with Public Law 111-5, the American Recovery and Reinvestment Act of 2009 (This law is a federal public law).
- b. The subgrant recipient understands and agrees that all other terms and conditions contained in this award, or in applicable FDLE or Office of Justice Programs grant policy statements or guidance, apply unless they conflict or are superseded by the terms and conditions included here that specifically implement the American Recovery and Reinvestment Act of 2009, Public Law 111-5 ("ARRA" or "Recovery Act") requirements. Subgrant recipients are responsible for contacting their grant managers for any needed clarifications.
- c. The recipient agrees to comply with any modifications or additional requirements that may be imposed by law and future FDLE or Office of Justice Programs (including government-wide) guidance and clarifications of Recovery Act requirements.

2. Access to Records; Interviews

The subgrant recipient understands and agrees that FDLE, the Department of Justice (including the Office of Justice Programs and the Office of the Inspector General), and its representatives, and the Government Accountability Office, shall have access to and the right to examine all records (including, but not limited to, books, papers, and documents) related to this Recovery Act award, including such records of any subgrant recipient, contractor, or subcontractor. See items 23 and 24 of the Standard Conditions.

The recipient also understands and agrees that FDLE, the Department of Justice, and the Government Accountability Office are authorized to interview any officer or employee of the subgrant recipient, contractor, or subcontractor regarding transactions related to this Recovery Act award.

3. One-time funding

The subgrant recipient understands and agrees that awards under the Recovery Act will be one-time awards and accordingly that its proposed project activities and deliverables are to be accomplished without additional Department of Justice funding.

4. Separate Tracking and Reporting of Recovery Act Funds and Outcomes

The subgrant recipient agrees to track, account for, and report on all funds from this Recovery Act award (including specific outcomes and benefits attributable to Recovery Act funds) separately from all other funds, including Department of Justice award funds from non-Recovery Act awards awarded for the same or similar purposes or programs. (Recovery Act funds may be used in conjunction with other funding as necessary to complete projects, but tracking and reporting of Recovery Act funds must be separate.)

Accordingly, the accounting systems of the subgrant recipient must ensure that funds from this Recovery Act award are not commingled with funds from any other source.

The subgrant recipient further agrees that all personnel whose activities are to be charged to the award will maintain timesheets to document hours worked for activities related to this award and non-award related activities.

6. Additional Audit Requirements - Recovery Act Transactions Listed in Schedule of Expenditures of Federal Awards

- b. The subgrant recipient agrees to separately identify the expenditures for Federal awards under the Recovery Act on the Schedule of Expenditures of Federal Awards (SEFA) and the Data Collection Form (SF-SAC) required by OMB Circular A-133. This condition only applies if the Single Audit Act Amendments of 1996 and OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations" cover the subgrant recipient. This shall be accomplished by identifying expenditures for Federal awards made under the Recovery Act separately on the SEFA as separate rows under Item 9 of Part III on the SF-SAC by CFDA number, and inclusion of the prefix "ARRA-" in identifying the name of the Federal program on the SEFA and as the first characters in Item 9d of Part III on the SF-SAC.

7. Reporting (Section 1512)

- a. In addition to the reporting requirements in item 3 of the Standard Conditions, subgrant recipients must provide any information necessary to comply with section 1512 of the Recovery Act, which requires detailed reporting by FDLE not later than ten calendar days after the end of each calendar quarter. Receipt of funds will be contingent upon timely reporting.
- b. The subgrant recipient must complete projects or activities which are funded under the Recovery Act and report on use of Recovery Act funds provided through this subgrant. Information from these reports will be made available to the public.

8. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

The subgrant recipient must promptly refer to the Department of Justice, Office of the Inspector General any credible evidence that a principal, employee, agent, contractor, subcontractor, or other person has either 1) submitted a false claim for Recovery Act funds under the False Claims Act; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving Recovery Act funds. 11. Infrastructure Investment (Sections 1511 and 1602)

The subgrant recipient agrees that it may not use any funds made available under this Recovery Act award for infrastructure investment absent submission of a satisfactory certification under section 1511 of the Recovery Act. Should the subgrant recipient decide to use funds for infrastructure investment subsequent to award, the subgrant recipient must submit appropriate certifications under section 1511 of the Recovery Act and receive prior approval from the Office of Justice Programs. In seeking such approval, the recipient shall give preference to activities that can be started and completed expeditiously, and shall use award funds in a manner that maximizes job creation and economic benefits. The text of the Recovery Act (including sections 1511 and 1602) is available at www.ojp.usdoj.gov/recovery.

12. Buy American (Section 1605)

- a. The subgrant recipient understands that this award is subject to the provisions of section 1605 of the Recovery Act ("Buy American"). No award funds may be used for iron, steel, or manufactured goods for a project for the construction, alteration, maintenance, or repair of a public building or public work, unless the recipient provides advance written notification to the Office of Justice Programs program office for approval. All projects must comply with government-wide standard conditions (anticipated to be published in subpart B of 2 C.F.R. part 176) that further implement the specific requirements or exceptions of section 1605.
- b. Section 1605 of the Recovery Act prohibits use of any Recovery Act funds for a project for the construction, alteration, maintenance, or repair of a public building or public work unless all of the iron, steel, and manufactured goods used in the project are produced in the United States, subject to certain exceptions, including United States obligations under international agreements.

13. Wage Rate Requirements (Section 1606)

Notwithstanding any other provision of law and in a manner consistent with other provisions in this Act, all laborers and mechanics employed by contractors and subcontractors on projects funded directly by or assisted in whole or in part by and through the Federal Government pursuant to this Act shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code. Pursuant to Reorganization Plan No. 14 and the Copeland Act, 40 U.S.C. 3145, the Department of Labor has issued regulations at 29 CFR Parts 1, 3, and 5 to implement the Davis-Bacon and related Acts. Regulations in 29 CFR 5.5 instruct agencies concerning application of the standard Davis-Bacon contract clauses set forth in that section. The standard Davis-Bacon contract clauses found in 29 CFR 5.5(a) are to be incorporated in any covered contracts made under this award that are in excess of \$2,000 for construction, alteration or repair (including painting and decorating).

For additional guidance on the wage rate requirements of section 1606, contact your awarding agency. Recipients of grants, cooperative agreements and loans should direct their initial inquiries concerning the application of Davis-Bacon requirements to a particular federally assisted project to the Federal agency funding the project. The Secretary of Labor retains final coverage authority under Reorganization Plan Number 14.

14. NEPA and Related Laws

The subgrant recipient understands that all Office of Justice Programs awards are subject to the National Environmental Policy Act (NEPA, 42 U.S.C. section 4321 et seq.) and other related Federal laws (including the National Historic Preservation Act), if applicable. The subgrant recipient agrees to assist the Office of Justice Programs in carrying out its responsibilities under NEPA and related laws, if the subgrant recipient plans to use Recovery Act funds to undertake any activity that triggers these requirements, such as renovation or construction. (See 28 C.F.R. Part 61, App. D.) The subgrant recipient also agrees to comply with all Federal, State, and local environmental laws and regulations applicable to the development and implementation of the activities to be funded under this award.
